

WEDNESDAY MAY 31st

12,00-15,00 Registration

Sala Globo
14,30 **OPENING CEREMONY**

SEGI MEETING
Società Italiana di Endoscopia Ginecologica

15,30 **LA SEGI INCONTRA LA SEGI:
SOCI A CONFRONTO: CASI, CASISTICHE E...**
COORDINATOR: A. MATTEI
CHAIRMAN: E. ZUPI, M. PETRONIO
SEGI Assembly

Sala Meridiani e Paralleli

15,30-19,00 **SELECTED PAPERS**
CHAIRMAN: M. VIGNALI, L. MUZZI

THURSDAY JUNE 1st

Sala Globo
Plenary Session
PELVIC FLOOR DEFECT
COORDINATOR: A. WATTIEZ
CHAIRMAN: G. VITTORI, G.B. MELIS

8,30 **KEYNOTE LECTURE**
A. WATTIEZ
New trends in reconstructive pelvic surgery

9,00 E. IMPARATO
The rationale of surgical treatment of POP

Complication on the use of mesh

9,15 A. WATTIEZ
Mesh erosion in LPS sacrocolpexy: Why, how to treat and how to prevent

9,30 M. CERVIGNI
Vaginal complication of meshes: Why, how to treat and how to prevent

Pelvic floor repair with mesh versus without mesh

9,45 A. WATTIEZ
Laparoscopic repair with or without mesh: Technique and results

10,00 G. MELLIER
Vaginal approach of the prolapse with the use of mesh

10,15 A. PERRONE
Surgical conservative approach to pelvic organ prolapse ("Uterus Sparing")

Approaches to the cystocele

10,30 F. LAGROTTA
Vaginally

10,45 A. ROSSETTI
Laparoscopic

Fixing the vaginal apex

11,00 P. MATHEVET
Vaginally

11,15 L. MINELLI
Laparoscopic

11,30 Coffee break

Plenary Session
MINIMALLY INVASIVE SURGERY OF SUI
COORDINATOR: A. WATTIEZ
CHAIRMAN: M. MOSCARINI, G. DE PLACIDO

12,00 S. ANASTASIO
The rationale of surgical treatment of SUI

12,15 F. SIRIMARCO
Anatomical landmarks for passing the mesh

12,30 P. SCOLLO
The transobturator way "Out-In", "In-Out" and the global approach

12,45 L. ALIO
Intrinsic urethral sphincter deficiency stress urinary incontinence with fixed or mobile urethra. Which minimally invasive surgical choice?

13,00 Discussion

13,30 Lunch

VII INTERNATIONAL BIENNIAL MEETING

dedicated to
"DANIEL DARGENT and G.B. CANDIANI"

CONTROVERSIES IN MINIMALLY INVASIVE GYNAECOLOGY

Congress Center PIANETAMARATEA
31 MAY - 2 JUNE, 2006
MARATEA, ITALY

Honorary Presidents:
D. QUERLEU, MD
A. WATTIEZ, MD

Presidents:
S. SCHETTINI, MD
E. ZUPI, MD

Scientific Secretariat:
S. SCHETTINI, MD
M. CANDIANI, MD

Plenary Session THE ROLE OF LAPAROSCOPY IN GYNAECOLOGIC ONCOLOGY: IS IT THE TIME?

COORDINATOR: D. QUERLEU
CHAIRMAN: A. CHIANTERA, F. RASPAGLIESI

15,00 **KEYNOTE LECTURE**
D. QUERLEU
Indications for laparoscopic surgery in gynaecologic oncology

15,30 GWENAEL FERRON
New frontiers of laparoscopic surgery in gynaecologic oncology

15,45 D. QUERLEU
Learning curve for laparoscopic lymphadenectomy

16,00 ERIC LEBLANC
Laparoscopic aortic dissection

16,15 D. QUERLEU
Complications of laparoscopic lymphadenectomy

16,30 P. MATHEVET
The Dargent's operation: State of the art

16,45 M. POSSOVER
The Coelio-Schuata

17,00 M. MALZONI
The Coelio-Wherteim

17,15 E. SOLIMA
Focus on Sentinel node in uterine cancer

17,30 E. VIZZA
Ovarian cancer & laparoscopy: Is it the time?

17,45 P. KONINCKX
Prevention of port site metastases: A revolution if the animal model holds true in women

18,00 **HISTORICAL SURGERY: FROM DOYEN TO SCHAUTA
A.GUTIERREZ-SETUBAL AND M.POSSOVER**

18,30 **REMEMBERING:
DANIEL DARGENT AND GIOVANNI BATTISTA CANDIANI**

FRIDAY JUNE 2nd

Sala Globo
Plenary Session
**MODERN TRENDS IN MANAGING
ABNORMAL UTERINE BLEEDING**
COORDINATOR: E. ZUPI
CHAIRMAN: P. BENEDETTI PANICI, A. AUDEBERT

8,30 E. COCCIA
The less invasive approach: New medical approaches

8,45 D. MARCONI
Surgical treatment in office setting

9,00 M. CANDIANI
What's new in laparoscopic hysterectomy

9,15 F. ZULLO
Laparoscopic vs minilaparotomic myomectomy

9,30 L. FEDELE
*Laparoscopic vs vaginal hysterectomy:
Evidence based surgery*

9,45 M. BUSACCA
E.B.M. in A.U.B.

Plenary Session THE LATEST ADVANCES FOR OPERATIVE HYSTEROSCOPY

COORDINATOR: J. HAMOU
CHAIRMAN: I. ARDOVINO, R. SERACCHIOLI

10,00 **KEYNOTE LECTURE**
J. HAMOU
State of the art of instrumentation for operative hysteroscopy

10,15 I. MAZZON
Which myomas to resect and how far? And how deep?

10,30 L. MONTEVECCHI
... and which polyps resect?

10,45 E. CICINELLI
Operative hysteroscopy whit fiberoptic instruments

11,00 S. BETTOCCHI
Operative hysteroscopy in infertility

11,15 C. CRESCINI
Endometrial ablation or alternative techniques & EBM

11,30 G. SORRENTI
Endometrial cryoablation

11,45 S. SCHETTINI
Bipolar radio-frequency endometrial ablation

12,00 Discussion

12,30 **CLOSING LECTURE**
A. WATTIEZ
Laparoscopy and its future

ADJOURN
